10/2*

This appeal was remanded to the examiner on January 5, 2004, for the purpose of reconsideration of the recapture rejection in light of the precedential Board decision in *Ex parte Eggert et al.*¹ decided May 29, 2003 by an expanded panel of the Board of Patent Appeals and Interferences.

The Supplemental Examiner's Answer (hereinafter, "Answer") of January 24, 2005, addresses various issues in addition to those raised by *Eggert*.

This Supplemental Reply Brief addresses the points of argument asserted in the Answer, which include (1) reassertion of various arguments made in the first Examiner's Answer, (2) arguments directed to the rule of *In re Wesseler*², which was asserted in

¹67 USPQ2d 1716 (BPAI 2003); hereinafter, "*Ex parte Eggert*," "*Eggert et al.*" or "*Eggert*" refers to this decision and not the earlier board decisions also involving *Eggert et al.*

²367 F.2d 838, 151 USPQ 339 (CCPA 1966)
